You have the option to deny the modification, opting for the exhibition of a trailer.

We may show at the Film Festival Private Event a Trailer - or highlight clip provided **BY YOU** or you may ask Zed Fest Film Festival to create a trailer for you so your film can be part of the Film Festival Private Viewing Event. This is in the Event Zed Fest Film Festival has time constraints due to high volume of Entries. We like to show as many Official Selections as possible so we may need to show trailers at the Film Festival event to save time; we still like to highlight and to showcase as many films as we can. We want to help as many filmmakers get exposure as possible.

If you refuse the options for modification or trailer exhibition you will forfeit your placement as an **Official Selection for the Film Festival “Main Event”**. You will still retain “Official Selection” status
